

THE VICTUS EUROPEAN STUDENT ACCOMMODATION FUND UPDATE CLASS A – CHF
INVESTMENT UPDATE

In March the Victus Fund continued to provide robust returns of 0.54%, once again highlighting the long term potential returns which this mainstream global asset class can offer. The Victus Fund continues to implement its strategy of identifying new asset acquisitions in major university cities in Europe to add to the current portfolio. In Germany continued detailed research and analysis took place in key university cities which have been strategically targeted in order to secure buying opportunities of existing assets to increase momentum and pace. The Victus Fund is specifically seeking out development opportunities in Frankfurt, Darmstadt and Mainz. In France

there are a number of opportunities being considered, including existing investment assets in Montpellier and development opportunities in Toulouse. In the Netherlands the Victus Fund is reviewing the acquisition potential of a development opportunity in Amsterdam. The 500 bedroom development has applied for a planning permit and is currently awaiting notification whether it has been successful. In addition the Victus Fund is actively seeking opportunities in Delft and opportunities in The Hague. In the UK the Victus Fund is currently conducting further due diligence on development opportunities in Cardiff, Sheffield, Glasgow, Newcastle, Edinburgh and Portsmouth.

BACKGROUND TO THE FUND

The current economic climate has led many investors to seek uncorrelated investments that offer the opportunity to take advantage of assets which offer not only strong rental yields but also the real prospect of long term capital growth.

With global student mobility increasing, and European institutions actively recruiting more non-EU students, purpose-built student accommodation comes into its own. Private student housing operators providing a one-stop-shop for secure, quality accommodation, may find themselves with a commercial edge.†

INVESTMENT OBJECTIVES

- To provide investors with diverse investment in the Student Accommodation market in Europe, whilst only investing in major University countries and cities
- To invest in a mixture of new developments and mature properties that will provide a combination of strong rental yields, initial added capital value and anticipated ongoing capital growth
- To achieve target return of 9-12% p.a. before tax
- To invest in Europe alongside local student operators/ developers through partnership and joint venture arrangements, sharing risk with these operators/developers who have successful track records in their localities
- To provide further diversification and risk reduction through:
 - A geographical spread across major University cities in Europe
 - Inclusion of 'affordable' older schemes without en-suite accommodation
 - Inclusion of newer schemes with en-suite accommodation (including studio flats) at higher rental levels
 - Inclusion of new purpose-built accommodation
 - A mix of undergraduate and postgraduate students
 - A mix of domestic students and international students
 - A variety of occupational agreements, including university leases and direct lets
